Health Plans

For Individuals and Families

Policy Forms GRI-N-21M-30 and GRI-N-21S-30

These plans are issued by Golden Rule Insurance Company on an individual basis and are regulated as individual health insurance plans.

Copay Plans

Convenient Doctor Office Copay Benefits

Copay plans are more like traditional employer plans with a copayment for routine health care expenses. When you use a Preferred Network doctor for an office visit, we pay 100% of history and exam fees after a \$25 copay with Copay SelectSM. Office visit expenses outside your network are not eligible for copay benefits.

Adult and Child Preventive Care Included

- Preventive Care office visits are covered the same as other doctor office visits — with copay benefits.

Prescription Drug Card Benefits

- Generic drugs — \$15 copay
- Name-Brand drugs — \$100 per person, per calendar year deductible, then:
 - \$30 Copay for preferred* brands
 - \$60 Copay for non-preferred brands

Comprehensive Coverage for Inpatient and Outpatient Medical Expenses

- Up to \$3 million lifetime maximum benefit per covered person
- Covered inpatient and outpatient expenses are reimbursed at 80% once the deductible has been met

Copay SaverSM

The Copay SaverSM plan provides the convenience of copays for doctor office visits (limited to 2 visits per person, per calendar year) for a lower monthly premium.

Who might benefit most from a Copay SelectSM plan?

- Anyone who prefers the convenience of copay benefits for routine health care expenses.
- Families with young children who have regularly scheduled doctor office visits.
- Adults who want copay benefits for preventive care and prescription drugs.

* We have a preferred drug list, which changes periodically.

Health Savings Account (HSA) Plans

HSA Plans Offer Quality Coverage, Savings

HSA Plans simply combine a lower cost, high deductible health insurance plan and a tax-favored savings account.

Lower Premiums, Tax-Advantaged Savings, and an Attractive Interest Rate*

High deductible plans typically cost a lot less than many copay or traditional plans, which means lower premiums for you. You can then take the premium savings and place it into your health savings account.

- You get a tax deduction on the money you put in your HSA.
- Your dollars can grow tax-deferred.
- You spend the savings tax-free to help pay your deductible or for qualified medical care (including prescriptions, vision, or dental care).
- What you don't use in your account will continue to accumulate year after year. Then, if you ever need it for health care expenses, the money will be there.
- At Golden Rule, you'll also earn interest on your savings, beginning with the first dollar deposited.

Bottom line — HSAs can help make health insurance more affordable.

* See HSA Insert for important information.

Who might benefit most from a Health Savings Account plan?

- Persons interested in more control over how their health care dollars are spent.
- Families interested in one annual deductible per family.
- Those interested in trading low deductible health insurance for a higher deductible plan to save money on monthly premiums and taxes.

Optional Insurance Benefit: HSA Hospital Indemnity Rider

The optional HSA Hospital Indemnity Rider is designed to help protect against major hospitalization expenses during the early months of coverage while cash accumulates in your savings account.

The HSA Hospital Indemnity Rider provides a lump-sum cash benefit on the third day of hospital confinement. This money can be used to help pay your deductible or for any other purpose.

The cash benefit amount depends on your deductible amount and decreases over time (see table).

The optional rider pays once, regardless of the number of hospitalizations, and there are no benefits under this rider if the hospitalization would not have been covered by the medical coverage. In addition, you only pay the premium amount once.

Note: HSA Hospital Indemnity Rider is not available for plans with \$1,100 or \$2,200 deductibles.

The rider does not change, waive, or extend any part of the policy/certificate other than as set forth above. Please see the attached brochure for complete details regarding applicable exclusions and limitations.

Protect Your Family

Optional Benefits: Enhanced Term Life Benefit & New Accidental Death Benefit

You've made the decision to help protect your family's health by seeking insurance; shouldn't you consider helping protect their financial future too?

Term life insurance may be an ideal benefit to make sure you provide for your loved ones' future.

Consider your current financial picture and ask, "Without a term life insurance benefit paid to my loved ones upon my death, would they be able to:

- Pay for funeral expenses?
- Pay the mortgage or other debts?
- Save for college or retire comfortably?"

Remember to select this option as you apply for health coverage.

Enhanced Term Life Benefit

You may choose an optional term life insurance benefit for you and/or a spouse who is also a covered person under the health plan. You and/or your spouse must be age 18 or older. The term life benefit expires when a covered person reaches age 65.

You select one of three benefit amounts. You may select different amounts for you and your spouse.

Benefit Amounts:	\$50,000	\$100,000	\$150,000
-------------------------	----------	-----------	-----------

New Accidental Death Benefit

This benefit provides \$50,000 in coverage in the event of an accidental death for you and/or your spouse if your spouse is also a covered person under the health plan. You and/or your spouse must be age 18 or older. The accidental death benefit expires when a covered person reaches age 65. It may be purchased with or without the term life benefit.

Motorcyclists are not eligible for this benefit.

Provisions That Apply to All Plans

This brochure is only a general outline of the coverage provisions. It is not an insurance contract, nor part of the insurance policy. You'll find complete coverage details in the policy.

Health Care Provider Networks

Choosing a Preferred Network offers you a significant premium discount and in most cases — an extensive network of doctors and hospitals*. Otherwise, Golden Rule health insurance plans include access to one of our Savings-Based Networks.

Transplant Expense Benefit

The following types of transplants are eligible for coverage under the Medical Benefits provision:

Cornea transplants, artery or vein grafts, heart valve grafts, and prosthetic tissue replacement, including joint replacements and implantable prosthetic lenses, in connection with cataracts.

Transplants eligible for coverage under the Transplant Expense Benefit are:

Heart, lung, heart and lung, kidney, liver, and bone marrow transplants. Limit: 2 transplants in a 10-year period.

Golden Rule has arranged for certain hospitals around the country (referred to as our "Centers of Excellence") to perform specified transplant services. If you use one of our "Centers of Excellence," the specified transplant will be considered the same as any other illness, and will include a transportation and lodging incentive (for a family member) of up to \$5,000. Otherwise, the acquisition cost for the organ or bone marrow will not be covered, and covered expenses related to the transplant will be limited to \$100,000 and one transplant in a 12-month period.

To qualify as a covered expense under the Transplant Expense Benefit, the covered person must be a good candidate, and the transplant must not be experimental or investigational. In considering these issues, we consult doctors with expertise in the type of transplant proposed.

The following conditions are eligible for bone marrow transplant coverage:

Allogenic bone marrow transplants (BMT) for treatment of: Hodgkin's lymphoma or non-Hodgkin's lymphoma, severe aplastic anemia, acute lymphocytic and nonlymphocytic leukemia, chronic myelogenous leukemia, severe combined immunodeficiency, Stage III or IV neuroblastoma, myelodysplastic syndrome, Wiskott-Aldrich syndrome, thalassemia major, multiple myeloma, Fanconi's anemia, malignant histiocytic disorders, and juvenile myelomonocytic leukemia.

Autologous bone marrow transplants (ABMT) for treatment of: Hodgkin's lymphoma, non-Hodgkin's lymphoma, acute lymphocytic and nonlymphocytic leukemia, multiple myeloma, testicular cancer, Stage III or IV neuroblastoma, pediatric Ewing's sarcoma and related primitive neuroectodermal tumors, Wilms' tumor, rhabdomyosarcoma, medulloblastoma, astrocytoma, and glioma.

Home Health Care

To qualify for benefits, home health care must be:

- Provided on a doctor's order that is renewed at least every 60 days; and
- Provided through a licensed home health care agency.

Covered expenses for home health aide services will be limited to 100 visits per person per calendar year.

Hospice Care

To qualify for benefits, a Hospice Care program for a terminally ill covered person must be licensed by the state in which it operates. Benefits for inpatient care in a hospice will be limited to 180 days in a covered person's lifetime. Covered expenses for room and board are limited to the most common semiprivate room rate of the hospital or nursing home with which the hospice is associated.

- Bereavement counseling maximum of \$250.

Notification Requirements

You must notify us by phone on or before the day a covered person:

- Begins the fourth day of an inpatient hospitalization; or
- Is evaluated for an organ or tissue transplant.

Failure to comply with Notification Requirements will result in a 20 percent reduction in benefits, to a maximum of \$1,000.

If it is impossible for you to notify us due to emergency inpatient hospital admission, you must contact us as soon as reasonably possible.

Our receipt of notification does not guarantee either payment of benefits or the amount of benefits. Eligibility for, and payment of, benefits are subject to all terms and conditions of the policy. You may contact Golden Rule for further review if coverage for a health care service is denied, reduced, or terminated.

Rehabilitation and Extended Care Facility (ECF) Benefit

Must begin within 14 days of a 3-day or more hospital stay, for the same illness or injury. Combined calendar year per person maximum of 30 days or \$15,000 benefits paid, whichever comes first, for both rehabilitation and ECF expenses.

*Using UnitedHealthcare Choice Plus network, available in most areas.

Preexisting Conditions

Preexisting conditions will not be covered during the first 6 months after an individual becomes a covered person. This exclusion will not apply to conditions which are both: (a) fully disclosed to Golden Rule in the individual's application; and (b) not excluded or limited by our underwriters.

A preexisting condition is an injury or illness: (a) for which a covered person received medical advice, diagnosis, care, or treatment within 6 months prior to the applicable effective date for coverage of the illness or injury; or (b) which manifested symptoms that would cause an ordinarily prudent person to seek advice, diagnosis, or treatment within 6 months prior to the applicable effective date for coverage of the illness or injury.

If replacing prior non-group coverage within 31 days of termination, the 6-month preexisting conditions exclusion period may be reduced.

Limited Exclusion for AIDS or HIV-Related Disease

AIDS or HIV-related disease are treated the same as any other illness unless the onset of AIDS or HIV-related disease is: (a) diagnosed before the coverage has been in force for one year; or (b) first manifested before the coverage has been in force for one year. If diagnosed or first manifested before coverage has been in force for one year, AIDS or HIV-related disease claims will never be covered. Details of this limited exclusion are set forth in the policy.

General Exclusions

No benefits are payable for expenses which:

- Are due to pregnancy (except for complications of pregnancy) or routine newborn care.
- Are for routine or preventive care unless provided for in the policy.

Benefits will not be paid for services or supplies that are not medically necessary to the diagnosis or treatment of an illness or injury, as defined in the policy.

General Limitations

- Expenses incurred by a covered person for treatment of tonsils, adenoids, middle ear disorders, hemorrhoids, hernia, or any disorders of the reproductive organs, will not be covered during the covered person's first six months of coverage under the policy. This provision will not apply if treatment is provided on an "emergency" basis. "Emergency" means a medical condition manifesting itself by acute signs or symptoms which could reasonably result in placing a person's life or limb in danger if medical attention is not provided within 24 hours.
- Covered expenses will not include more than what was determined to be the reasonable and customary charge for a service or supply.
- Transplants eligible for coverage under the Transplant Expense Benefit are limited to two transplants in a ten-year period.
- Charges for an assistant surgeon are limited to 20 percent of the primary surgeon's covered fee.
- Covered expenses for treatment of TMJ, excluding tooth extractions, will be limited to \$10,000 per covered person.
- Covered expenses for all diagnosis or treatment of mental disorders will be limited to a lifetime maximum benefit of \$3,000 (not covered in Saver Plans). Outpatient diagnosis or treatment will be further limited to \$50 per visit. As with any other illness or injury, inpatient care which is primarily for educational or rehabilitative care will not be covered.

- Covered outpatient expenses relating to diagnosis or treatment of any spine or back disorders will be limited to a maximum of \$2,000 per calendar year. CAT scan and MRI tests are not subject to this limitation.
- Covered expenses will be limited to no more than a 34-day supply for any one outpatient prescription drug order or refill.

Effective Date

For **injuries**, the effective date for a mailed application will be the later of: (a) the requested effective date, if any, shown on the application; or (b) the date upon which the original application is actually received by Golden Rule at its Home Office.

For an application sent by any electronic method, the effective date for injuries will be the later of: (a) the requested effective date, if any, shown on the application; or (b) the day after the date upon which the application is actually received by Golden Rule at its Home Office.

The effective date for **illnesses** will be the same as for injuries if you are replacing prior coverage within 62 days of application for this coverage and disclose replacement information on the initial application for insurance. If replacement information is not disclosed on the initial application for insurance, the effective date for illnesses will be the 15th day after the effective date for injuries. Illnesses that begin prior to that 15th day will be treated as a preexisting condition and will not be covered until the individual has been a covered person for 12 months.

Premium

We may adjust the premium rates from time to time. Premium rates are set by class, and you will not be singled out for a premium change regardless of your health. The policy plan, age and sex of covered persons, type and level of benefits, and your place of residence are factors that may be used in setting rate classes. Premiums will increase the longer you are insured. We will notify you at least 60 days in advance of any changes in premium. We will also notify you in advance of any changes in coverage or benefits.

Dependents

For purposes of this coverage, eligible dependents are your lawful spouse and eligible children. Eligible children must be unmarried and under 25 years of age.

Termination of a Covered Person

A covered person's coverage will terminate on the date that person no longer meets the eligibility requirements, on the date we receive a written request from the insured (or a later date if requested), or if the covered person commits fraud or intentional misrepresentation.

Continued Eligibility Requirements

A covered person's eligibility for insurance under the policy will cease on the earlier of:

- The date that a covered person accepts any direct or indirect contribution or reimbursement, by or on behalf of an employer, for any portion of the premium for coverage under the policy;
- The date a covered person's employer and a covered person treat the policy as part of an employer-provided health plan for any purpose, including tax purposes; or
- The date a covered person ceases to be a dependent.

Renewability

You may renew coverage by paying the premium as it comes due. We may decline renewal only:

- For failure to pay premium; or
- If we decline to renew all policies just like yours issued to everyone in the state where you are then living.

Underwriting

Coverage will not be issued as a supplement to other health plans that you may have at the time of application.

Conditions Prior to Legal Action

To help resolve disputes before litigation, the policy requires that you provide us with written notice of intent to sue as a condition prior to legal action. This notice must identify the source of the disagreement, including all relevant facts and information supporting your position. Unless prohibited by law, any action for extra-contractual or punitive damages is waived if the contract claims at issue are paid or the disagreement is resolved or corrected within 30 days of the written notice.

Other Health Plans

If you become covered under other health insurance plans after this policy is issued, benefits payable under other health insurance plans may be used to help satisfy the deductible and coinsurance provisions of this plan. To the extent that the benefits payable by all health insurance plans, including this one, would otherwise exceed the amount of covered expenses, the benefits of this policy will be reduced.

Medicare — Carve-Out

Covered persons who reach the age of Medicare eligibility and obtain Medicare coverage will be provided an alternative health insurance benefit called "Carve-out." Basically, "Carve-out" pays the difference between what Golden Rule benefits normally would pay and what is paid by Medicare.

Grievance and Appeal Procedures

- **You have the right to ask to receive confidential communications** of information in a different manner or at a different place (for example, by sending information to a P.O. Box instead of your home address).
- **You have the right to see and obtain a copy** of health information that may be used to make decisions about you such as claims and case or medical management records. You also may receive a summary of this health information. You must make a written request to inspect and copy your health information. In certain limited circumstances, we may deny your request to inspect and copy your health information.

CONDITIONS PRIOR TO COVERAGE (APPLICABLE WITH OR WITHOUT THE CONDITIONAL RECEIPT)

Subject to the limitations shown below, insurance will become effective if the following conditions are met:

1. The application is completed in full and is unconditionally accepted and approved by Golden Rule Insurance Company (Golden Rule) at its Home Office or Indianapolis Office.
2. All medical examinations, if required, have been satisfactorily completed.
3. The persons proposed for insurance must be, on the effective date for injuries, not less than a standard risk acceptable to Golden Rule according to its regular underwriting rules and standards for the exact plan and amount of insurance applied for.
4. The first full premium, according to the mode of premium payment chosen, has been paid on or prior to the effective date for injuries, and any check is honored on first presentation for payment.
5. The certificate is: (a) issued by Golden Rule exactly as applied for within 45 days from date of application; (b) delivered to the proposed insured; and (c) accepted by the proposed insured.

Definitions:

1. "Satisfactorily completed" means that no adverse medical conditions or abnormal findings have been detected which would lead Golden Rule to decline issuing the certificate or to issue a specially rideder certificate.
2. "Effective date for injuries" for a mailed application means the later of: (a) the requested effective date, if any, shown on the application; or (b) the date upon which the original application is actually received by Golden Rule at its Home Office.
3. "Effective date for injuries" for an application sent by any electronic method means the later of: (a) the requested effective date, if any, shown on the application; or (b) the day after the date upon which the application is actually received by Golden Rule at its Home Office.

Limitation:

If, for any reason, Golden Rule declines to issue a policy or issues a policy other than a standard policy as applied for, Golden Rule shall incur no liability under this receipt except to return any premium amount received. Interest will not be paid on premium refunds.

NOTICE TO APPLICANT REGARDING REPLACEMENT OF ACCIDENT AND SICKNESS INSURANCE

If you intend to lapse or otherwise terminate existing insurance and replace it with a new plan from Golden Rule, you should be aware of and seriously consider certain factors that may affect your coverage under the new plan.

1. Full coverage will be provided under the new plan for preexisting health conditions: (a) that are fully disclosed in your application; and (b) for which coverage is not excluded or limited by name or specific description. Other health conditions that you now have may not be immediately or fully covered under the new plan. This could result in a claim for benefits being denied, reduced, or delayed under the new plan, whereas a similar claim might have been payable under your present plan.
2. If after due consideration, you still wish to terminate your present insurance and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical and health history. Failure to include all material medical information, correct information regarding the tobacco use of any applicant, or information concerning other health plans may cause the company to deny a future claim and to void your coverage as though it has never been in force. After you have completed the application and before you sign it, reread it carefully. Be certain that all information has been properly recorded.
3. You may wish to secure the advice of your present insurer or its agent regarding the proposed replacement of or addition to your present plan. You should be certain that you understand all the relevant factors involved in replacing or adding to your present coverage.
4. Finally, we recommend that you not terminate your present plan until you are certain that your application for the new plan has been accepted by Golden Rule.
